Greetings MJP Parent/Guardian,

We would like to thank you for choosing the MJP as your School Family! We value our partnership with you this year. Your Scholar's education is very important to us. We ask that if your child must be dismissed earlier than our 3:10 p.m. dismissal time, you send us a note, email, and/or fax to inform us of any changes. Any parents/guardians who arrive after 2:45 p.m. for early dismissal will wait until we begin dismissal at 3:10 p.m. Your child's last learning period ends at 3:05 p.m. If you picked up your child at 2:45 p.m. each day for 180 days, that leads to a loss of 3600 minutes of learning (20 minutes a day X 180 days)!

We understand that emergencies arise. However, we are charged with educating your child as well as each Scholar who is part of our family. Stopping your child's school day also interrupts learning for his/her teacher and their classmates.

Please schedule a meeting/conference to talk with your child's teacher about opportunities for make up work and/or early dismissal solutions. If you ever need to contact us for early dismissal, please email us at

Craig Martin

Proud Principal of the MJP
