

Boys Group

We will begin our MJP Boys Group aka Brothers of Distinction. This affirmation group provides our young males with tools and strategies that will help them become more healthy and productive citizens with the MJP School Community and the world overall.

We will focus on developing our MJP males who are potentially Tier one and two students. This will provide those boys who generally provide great effort and behavior but are overshadowed with opportunities to build and grow.

Applications will be placed in your mailboxes. There will be an info session on the Boys Group for all interested on Friday morning from 7:30 a.m. to 8:15. If you have any questions, please contact me.
