

# Perkins Pride Drops In the Bucket

## Have You Filled a Bucket Today?

The Michael J. Perkins School Drops in the Bucket Program is a celebration of acts of kindness, goodness, citizenship, and leadership. We look forward to “catching students doing something good/great” because we want them to know we see the “goodness” in them as respectful, responsible, and bold citizens who can make a difference in the lives in their school community. We would like to take a moment to recognize those students who have profoundly impacted our school in a meaningful way. *If your child received at least one bucket drop from September thru October 31<sup>st</sup>, they are listed here. The goal is to have the entire school listed by the end of the school year!*
