## **The ABCs on Michael J. Perkins School Community Expectations for Students & Families 2019 - 2020 SY**

**Attendance** Students are expected to **arrive on time at 8:15 a.m.** with their completed class work, homework, and supplies—**Ready to Learn. Instruction begins at 8:30 a.m.** Students who have perfect or almost perfect attendance receive awards, prizes, and other incentives.

***BPS Policy  
indicates:***

- Absences require a parent/guardian note or verifiable doctor's note provided within a week

of an absence. Parent notes after a week following an absence will not be accepted.

- 4 unexcused absences in 1 term can lead to your child receiving “No Credit” or “1” for that term.
- 2 or more terms with all “1s” will lead to automatic retention declaration.
- 12 unexcused absences in a year can lead to your child failing for the school year.
- 5 or more unexcused absences in 1 term will lead to a meeting with the Principal, BPS Social Worker, and a possible Court Filing.

We know that students who arrive on campus ready to learn and are fully present for learning have a greater chance of success. **Our final period of learning ends at 3:05 p.m.** During this time, students are receiving their homework, completing exit tickets for what they learned during their day, and we strongly encourage families to communicate ahead of time if their child needs to be dismissed earlier.

**All parents/guardians must communicate in writing by noon of a school day** about changes in how their children are going home at the end of a school day. This is a safety measure specifically designed for your child’s well being. ***We will only accept emails, faxes, and/or written notifications from the legal parent/guardian(s) about changes in dismissal.***

**Bus Transportation** Students are expected to demonstrate great respect and responsibility while riding the school bus. Students who make good choices on the bus will be rewarded. **The bus driver is the authority figure on the bus.** If a student is named in a written report for misbehavior, they will be denied transportation for up to 2 weeks, pending investigation. If a student intentionally continues to be disrespectful to the bus driver, his peers, the bus attendant, and/or the drivers and people walking the streets of our neighborhood, they will be removed from the bus indefinitely.

**Cell Phones** Any parent who is sending their child with a cell phone must register it with the main office by [completing our form](#) and return it school ASAP. Students are expected to come to school with their cell phone turned off. **They are expected to give it to their teacher upon entering into the classroom. Failure to do so will result in disciplinary action.**

**Dress For Success** MJP Students will come to school dressed in their appropriate school uniform each day. They earn individual points and class points for full participation. ***See the MJP Uniform Policy for specifics.***

**Excellence in Scholarship, Citizenship, and Leadership** MJP Students will be rewarded regularly for coming to school prepared to learn, demonstrating great

citizenship and leadership, and showing their Perkins Pride. *We host Community Day of Scholars Awards Programs on December 15, March 29, and June 14th to highlight student achievement and success.* Parents and community partners are invited to participate in this very lively and motivating experience.

**Fun Fridays** On the first Friday of each month, we will be selling fun and healthy snacks during our students recess block. Teachers may also host exciting games and enrichment activities for those students who earn the privilege by performing well on class work and homework, good behavior, and wearing their uniform consistently.

## Group s

- MJP Perkins Pride Ambassadors support school recycling, urban gardening, and more
- Boys' Group (Brothers of Distinction)
- Girls' Group (Wonderfully Made)
- MJP Solution Team (Anti-Bullying & Peer Advisory Support)

**Homework** It is ***your child's responsibility to get their homework completed and brought into their classrooms on time.*** Homework **does** count towards your child's report card grade. If your child needs homework assistance, please let your child's teacher know.

## Invest Your Time, Talent, & Treasure

- Will you donate at least 2 hours during the school year to support your child and his/her school?
- Are you willing to share your talents of event planning, cooking, reading, architecture, gardening, and/or organizing to support our school?
- Are you willing to donate \$ to support our arts programs, student groups, and/or school community events that ultimately helps the entire school? **If you said "Yes" to one or more of these questions, please come see us or contact us to get started!**

**Just Take 10!** Even if your child says they did their homework at after school or on the bus. Take at least 10 minutes to review their work with them. Ask them to explain how they got the answers they did. Did they make sense? Do they believe this is the best work they could do to be successful? 10 minutes or more each night is a healthy investment in your child's future!

**Knowledge is Power!** Research indicates that children who read at ***least 20 or more minutes each***

**night with a text on their reading level are likely to grow by 1.5 years.** The more you read, the more you know, the more you know, and the more you grow!

**Leadership (School Site Council)** We are looking for Parent Leaders who are willing to help us move our school to greater heights. We are seeking parents who are lively and love to cook, fundraise, advocate for their child and our school community, and will help us make decisions that put our children first. If you are interested in [joining our School Site Council](#), please contact Ms. Correa-Gonzalez, MJP Director of Engagement.

education at the Michael J. Perkins School.

**School Site Council** We invite and encourage families to participate in one of the Most Powerful Forces at the MJP—our School Site Council. The MJP School Site Council is a team comprised of teachers, parents, community partners and the principal. We work together to create programs and initiatives that will advance the needs of our children and their education. The School Site Council also leads & supports fundraising, school budget recommendations, school events, the hiring process, and more.

**Transparency & Trust** With our children's best interest first, we want families to have access to information and/or resources as soon as it's available to make the best decisions we can. It requires a true partnership between the school and family.

**United with Community Partners** We are partnered with organizations such as BOKs, Boston Children's Hospital, Boston Children's Museum, Boston Housing Authority, Boston Public Schools' Office of Engagement, Boston Public Schools' Opportunity & Achievement Gap Office, Boston University Dental School, Boys & Girls' Club of South Boston Children's Services of Roxbury, Community Music Center of Boston, Excel High School, Handel & Haydn Society, J.P. We invite families to participate in School Site Council, Parent Council, volunteer, participate on surveys and school wide activities, and more. We encourage our students regularly through our student groups to help make decisions that make the Michael J. Perkins School a great "home away from home".

**Welcoming Environment** We want each and every member of our MJP Community to be invested partners in the business of educating our children!

**Excellence is expected of ALL students and staff everyday!**

## **YOU MATTER!**
